

Peace of mind.

If your vehicle needs repair after your factory warranty expires, Integrity Warranty is here to provide peace of mind and protection against high repair costs. Integrity Warranty provides a variety of coverages to best meet your needs.

These are some of the replacement costs that an extended warranty would help by minimizing your out-of-pocket expenses.*

*Average replacement costs were calculated for the top 5 vehicles of 2013 using MOTOR Information Systems parts and labor data (Honda Fit, Acura TL, Buick LaCrosse, Nissan Frontier V6, Ford F-150 3.7L).

INTEGRITY
WARRANTY

Bronze
Silver

Integrity Warranty provides peace of mind nationwide.

Throughout the US, you will have the confidence of knowing that if you need repairs to your vehicle, Integrity Warranty is there to provide service.

Each of our plans includes:

- ▶ 24/7 Roadside Assistance
- ▶ Including:
- ▶ Towing
- ▶ Battery Service
- ▶ Lock-Out Assistance
- ▶ And more...

INTEGRITY
WARRANTY
PROVIDING PEACE OF MIND NATIONWIDE

Bronze

Silver

Gold Exclusionary

Engine

Internally lubricated parts within the engine as follows: intake manifold, pistons, rings, rods, bearings, crankshaft, distributor shaft, oil pump, gears, cam shaft, timing chain, timing gears, wrist pins, valves, solid lifters, rocker arms, push rods, cylinder head gaskets.

Transmission

Internally lubricated parts as follows: shafts, gears, bushings, synchronizers, torque converter, pumps, valve body, synchronizer drums, internal linkage. Transmission cases are covered if damaged by an above listed Covered Component.

Transfer Case

Internally lubricated parts as follows: gears, chains, bushings, bearings, sprockets, sleeves. Transfer cases are covered if damaged by an above listed Covered Component.

Drive Axle

Internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, planetary gears, bushings, transaxle housings, differential housings, final drive housings, axle shafts.

Turbo/Supercharger (surcharge applies)

Internally lubricated OEM parts of the turbo and/or supercharger.

Four Wheel/All Wheel Drive (surcharge applies)

Internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, planetary gears, bushings, transaxle housings, differential housing, final drive housings, axle shafts.

Cooling

Radiator, fan, fan clutch, water pump.

Air Conditioning

Evaporator, blower motor, compressor, expansion valve, condenser. If needed in conjunction with a Covered Repair, orifice tube, accumulator/receiver dryer will also be covered.

Electrical

Power window motors and switches, power door lock and actuator, combination turn signal switches, washer pump, heater/ac blower speed switch, front and rear wiper motor and switches, starter motor, starter solenoid, alternator/voltage regulator.

Fuel System

Fuel pump, high pressure fuel pump, factory metal fuel lines.

Seals and Gaskets

Cylinder head gaskets, all other seals and gaskets are covered in conjunction with repair of above-listed Covered Components.

Engine

Internally lubricated parts within the engine as follows: intake manifold, pistons, rings, rods, bearings, crank shaft, distributor shaft, oil pump, gears, cam shaft, timing chain, timing gears, tensioners, and retainers, wrist pins, valves, solid lifters, rocker arms, push rods, cylinder head gaskets.

Transmission

Internally lubricated parts as follows: shafts, gears, bushings, flywheel, torque converter, pumps, valve body, synchronizer drums, internal linkage. Transmission cases are covered if damaged by an above listed Covered Component.

Transfer Case

Internally lubricated parts as follows: gears, chains, bushings, bearings, sprockets, sleeves. Transfer cases are covered if damaged by an above listed Covered Component.

Drive Axle

Internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, planetary gears, bushings, transaxle housings, differential housing, final drive housings, axle shafts.

Turbo/Supercharger (surcharge applies)

Internally lubricated OEM parts of the turbo and/or supercharger.

Four Wheel/All Wheel Drive (surcharge applies)

Internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, planetary gears, bushings, transaxle housings, differential housings, final drive housings, axle shafts.

Cooling

Radiator, fan, fan clutch, water pump.

Air Conditioning

Evaporator, blower motor, compressor, expansions valve, condenser. If needed in conjunction with a Covered Repair, orifice tube, accumulator/receiver dryer will also be covered. Evacuation and recharge is only covered if in conjunction with a Covered Repair.

Electrical

Power window motors and switches, power door lock and actuator, combination turn signal switches, washer pump, heater/ac blower speed switch, front and rear wiper motor and switches, starter motor, starter solenoid, alternator/voltage regulator.

Suspension

Wheel bearings, spindle/supports, leaf springs, coil springs, torsion bars, traction bars, king pin, stabilizer shaft and linkage, upper and lower ball joints, upper and lower control arms, thrust arms, trailing arms and shafts.

Fuel System

Fuel pump, high pressure fuel pump, factory metal fuel lines.

Brakes

Master cylinder, calipers, actuators, wheel cylinders, combination valves, adjusters, vacuum booster pump.

Power Steering

Internally lubricated parts as follows: tie rod ends, center link, pitman arm, idler arm, couplings, shafts, gears, power steering pump. The steering gear housing is covered only if damaged by a Covered Component.

Seals and Gaskets

If Vehicle odometer is between 80,000 and 125,000 miles at the time of Contract purchase, Seals & Gaskets Surcharge must be selected to receive Seals and Gaskets Coverage. If Vehicle odometer is less than 80,000 miles at the time of Contract purchase, Seals & Gaskets Coverage is automatically included at no additional charge. If Vehicle odometer is greater than 125,000 miles at the time of Contract purchase, Vehicle is ineligible for Seals & Gaskets Coverage. If Seals & Gaskets Coverage is selected on Declaration Page, then Seals and Gaskets Coverage will be extended to above-listed Covered Components. Note - minor loss of fluid or seepage is not considered a Breakdown, and is not covered.

Engine

All internally lubricated parts within the engine including: intake manifold, pistons, rings, rods, bearings, crank shaft, distributor shaft, oil pump, cam shaft, timing chain, timing gears, tensioners and retainers, engine mounts, harmonic balancer, wrist pins, valves, solid lifters, rocker arms, push rods, seals and gaskets.

Transmission

All internally lubricated parts including: shafts, gears, bushings, flywheel, flexplate, synchronizers, torque converter, pumps, valve body, synchronizer drums, internal linkage. Transmission mounts, transmission solenoid, vacuum modulator, transmission case, seals and gaskets.

Transfer Case

All internally lubricated parts including: gears, chains, bushings, bearings, sprockets, sleeves, transfer case housing, transfer case control module, 4X4 actuator, 4X4 encoder motor, 4X4 engagement switch, 4x4 vacuum valve, seals and gaskets.

Drive Axle

All internally lubricated parts including: constant velocity joints, universal joints, planetary gears, bushings, transaxle housings, differential housings, final drive housings, axle shafts. Axle bearings, center support bearing, locking hubs, drive shafts, seals and gaskets.

Cooling

Engine cooling fan blade, engine cooling fan clutch, engine cooling fan control module, engine cooling fan motor, engine cooling fan relay, idler pulley, radiator, serpentine belt tensioner, water pump, seals and gaskets.

Air Conditioning

Accumulator/receiver, actuators, blower motors, compressor, compressor clutch, condenser, evaporator, expansions valves, orifice tube, evacuation and recharge covered in conjunction with a covered repair, seals and gaskets.

Electrical

Alternator, blower speed switch, body control module, brake light switch, control head, defroster grids, door ajar switch, ECM (Engine Control Module), ECU (Engine Control Unit), fuel door actuator, head lamp dimmer switch, head lamp switch, headlamp motors, horns, horn-relay, map light switch, oil pressure sending unit, power antenna motor and switch, power window motors and switches, power door lock and actuators, power sunroof motors, PCM (Powertrain Control Module), rear hatch motor, sliding door motors, turn signal flasher, turn signal switch, voltage regulator, window washer pumps, front and rear wiper motors and switches, starter motor, starter solenoid, seals and gaskets

Fuel System

Fuel injection pump, fuel injectors, fuel pump, fuel pump resistor, fuel tank sending unit, idler air control motor, metal fuel delivery lines, throttle body, seals and gaskets

Suspension

Wheel bearings, ball joints, spindle/supports, leaf springs, coil springs, torsion bars, traction bars, control arms, radius arm, stabilizer bars, stabilizer shaft and linkage, thrust arms, trailing arms and shafts

Brakes

Master cylinder, calipers, actuators, wheel cylinders, combination valves, adjusters, vacuum booster pump.

Turbo/Supercharger (surcharge applies)

All internally lubricated OEM parts of the turbo and/or supercharger. (Turbo/Supercharger surcharge applies).

Power Steering

All internally lubricated parts including: tie rod ends, center link, pitman arm, idler arm, couplings, shafts, gears, drag link, rack and pinion assembly, steering gears and knuckles, power steering pump, seals and gaskets.

Four Wheel/All Wheel Drive (surcharge applies)

All internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, planetary gears, bushings, transaxle housings, differential housings, final drive housings, axle shafts.

There are too many covered components to list them all. These are examples of covered components, but not an all-inclusive list. See contract for details.

Additional Benefits: 24-Hour Roadside Assistance and Towing

- ▶ **Towing: Tow your covered vehicle to a repair facility**
- ▶ **Battery Service: Jump-start covered vehicle if it won't start due to a weak or dead battery.**
- ▶ **Flat Tire Assistance: Change the flat tire on your covered vehicle with your inflated spare.**
- ▶ **Emergency Fluid Delivery: Deliver gas or other fluid to your covered vehicle.**
- ▶ **Lock-Out Assistance: If your keys are locked in the covered vehicle, assistance will be provided to gain entry to the vehicle.**

An extended warranty that keeps you on the road for less.

An Integrity Extended Warranty will help minimize your out-of-pocket cost on costly repair expenses.

Some of the benefits of coverage:

- ▶ Nationwide Consultants
- ▶ Rental car coverage
- ▶ Fully Transferable

* The Bronze plan is eligible for vehicles up to 20 years old and 200k miles.

* The Silver plan is eligible for vehicles up to 15 years old and 150k miles.

* The Gold plan is eligible for vehicles up to 10 years old and 125k miles.
